

ACCESSING THE COURT'S WIRELESS NETWORK (Judge Bohm's Courtroom)

1. Mute the volume on your computer speakers before you operate the computer in the Courtroom.
2. Right-Click on Wireless Network Icon on bottom of screen.
3. In the lower box, highlight the wireless network you wish to connect to - Judge Bohm's network is: 600. If "600" does not appear, select "Add" and add the "600".
4. Enter the network key (password). The network key for Judge Bohm's network is **4B40C1CFE3**.
5. Click "Ok" and you should be connected to the network.

This process should only be required the first time you access the internet. After your first access, you should be able to connect just by clicking on the wireless icon.
